Primary Representative: Dr. Jerry Pohlman, Chair, Department of Business

Membership Status: Educational Member

An educational member is a college or university whose business programs meet the requirements to be an educational member of the IACBE, but which has not been accepted as a candidate for accreditation. An educational member's business programs have not yet had a site visit, and therefore the only comments that the IACBE can make about an educational member's business programs is that they have indicated a commitment to excellence in business education and to pursuing IACBE accreditation.
