Primary Representative: Dr. Peter Schneider, Chair, Department of Business Administration

Membership Status: Institutional Member

An institutional member is a college or university whose business programs meet the requirements to be an institutional member of the IACBE, but which has not been accepted as a candidate for accreditation. An institutional member's business programs have not yet had a site visit, and therefore the only comments that the IACBE can make about an institutional member's business programs is that they have indicated a commitment to excellence in business education and to pursuing IACBE accreditation.
