## Invites Applications for Faculty Positions in our School of Business

### **Assistant Professor of Accounting**

Tenure Track position. Ph. D. or ABD in Accounting preferred, or master's degree, CPA/CMA, and industry experience required with the expectation that a doctoral degree will be completed.

Faculty member will teach undergraduate and graduate accounting courses, plus other business courses as needed during the day and evenings. Record of highly effective teaching, scholarship and service, excellent interpersonal skills, and willingness to serve on School of Business and University committees required. Must work collaboratively with others. Successful experience with distance learning and online teaching is a plus.

### **Assistant Professor of Management**

Tenure Track position. Ph. D. or ABD in Management or Organizational Behavior, or related doctoral degree strongly preferred.

Faculty member will teach undergraduate and graduate principles of management, organizational behavior, and strategic management courses during the day and evening class sessions. Record of highly effective teaching, scholarship and service, excellent interpersonal skills, and willingness to serve on School of Business and University committees required. Must work collaboratively with others. Successful experience with distance learning and online teaching is a plus.
