

Accreditation Status

Spalding University

Spalding University

845 South Third Street
Louisville, KY 40203
USA

Web Site: www.spalding.edu

Primary Representative: Dr. Michelle C. Reiss, Chair, School of Business

Membership Status: Candidate for Accreditation

A Candidate for Accreditation is an institution whose business programs have been accepted into candidacy status by the IACBE Board of Commissioners and, therefore, are actively pursuing program accreditation by the IACBE. The candidacy process may take up to five years. The business programs of a Candidate for Accreditation are not accredited. Therefore, the only statements concerning the quality of the institution's business programs that can be made by the IACBE is that they have indicated a commitment to excellence in business education and are actively pursuing IACBE accreditation.
