Board of Commissioners' Action: Accredited

The business and business-related programs of Webber International University, as listed below, have been reviewed by the Board of Commissioners of the International Assembly for Collegiate Business Education. The review process requires the institution to develop and submit a self-study covering these programs, to have a site visit by a trained team of peer reviewers, and to be reviewed by the IACBE Board of Commissioners. The business programs of **Webber International University** were found to be in compliance with the following accreditation principles.

Number	Principle
1.0	Outcomes Assessment
2.0	Strategic Planning
3.0	Curriculum
4.0	Faculty
5.0	Scholarly and Professional Development
6.0	Resources
7.0	Internal and External Relations
8.0	Educational Innovation

The IACBE encourages its members to be involved in a continuous improvement process. The Board of Commissioners has asked **Webber International University** to make improvements in the following area(s).

Principle 1.0: Outcomes Assessment

Principle 6.4: Educational Technology and Support

Reporting Requirements: Principle 7.3: External Oversight
