

IACBE Training and Regional Meeting – Region 8
hosted by
Chaminade University of Honolulu
November 13 - 14

Location

The training session and regional meeting will be held at the Ching Conference Center on the Chaminade campus. The Chaminade campus is located on a hill in Kaimuki overlooking the Pacific, a short distance from the legendary Waikiki area of Honolulu. (A map of the campus with parking directions will follow).

Hotels

Chaminade has arranged special rates at a selection of hotels that may be used by meeting attendees. The selection of hotels is provided below. The recommended hotel for those who are price conscious is the Ohana East. The Ohana West is ok but not preferable.

Ohana East (not on the beach but within walking distance) prices start at \$120.00 and up, parking \$18.00 per day.

Outrigger Waikiki (beach front) prices start at \$185.00 and up, free parking.

Outrigger Reef (beach front) prices start at \$177.00 and up free parking.

Ohana West (not on the beach but within walking distance) prices start \$99.00 and up, parking \$18.00 per day.

Folks attending the meeting can check the websites of these hotels to determine which hotel they would like to stay at. Once attendees have determined their choice of hotels, the reservations need to be made through Chaminade in order to get the rates indicated. Attendees should contact Ginger Miller, the administrative assistant for the business school, to make a reservation. The following information will be needed to make a reservation:

1. The type of credit card (Visa, Mastercard, etc.), credit card number, and expiration date
2. Name on the Card
3. Billing Address
4. How many rooms are needed

5. e-mail and phone number (for Ginger to follow up as needed)

Ginger can be contacted by e-mail at gmler@chaminade.edu or by phone at (808) 440-4280.

Attendees should make reservations no later than a week before the meeting. Although reservations will be taken anytime, if the preferred hotel fills up, they will put the guests up at any of the available hotels on this list.
