

Pennsylvania College of Technology is located in Williamsport, a family-oriented community ideally situated along the Susquehanna River at the foot of Bald Eagle Mountain in north central Pennsylvania within 200 Miles of New York City, Philadelphia, Baltimore and Washington, D.C. Penn College is Pennsylvania's premier technical college and an affiliate of The Pennsylvania State University. More than 6,500 students are enrolled in Penn College's bachelor and associate degree and certificate majors, which combine hands-on experience with theory and management education.

Business Administration Accounting Faculty

The faculty will instruct and evaluate student performance in the accounting area to include, but not limited to courses on auditing, corporate tax, and accounting information systems. Position will start in the Fall 2011 semester; August 11, 2011.

Minimum qualifications include a Master's Degree in Accounting, Business Administration, or related discipline; related business, industry, and/or public accounting experience utilizing accounting information systems with special emphasis on auditing, cost accounting, and financial reporting; related teaching experience; accounting information systems and/or enterprise resource planning experience; and functional ability with microcomputers and information technology. Finalists will be required to present a sample lesson. Background check will be required on selected candidate.

Pennsylvania College of Technology is recognized as a "Great Colleges to Work For" and has achieved Top 10 status among the best public, four-year colleges in the northern region of the United States. This dynamic work experience offers a competitive salary and benefits package, excellent educational benefits for employees and dependents at Penn College and Penn State.

Please see the detailed job announcement on our website and to submit an application, cover letter, and resume: www.pct.edu/Jobs. Position will remain open until a suitable candidate is identified.
